Team That Will Meet U. of C. at Pasadena Has Practice Here

Ohio State University's football team, champions of the "Big Ten" conference under the direction of Coach Wilce, Ward and Harley held a snappy workout at Lester Park today shortly after 12 o'clock. The Ohio State team is en route to Pasadena where they will tangle with the University of California stars New Year's day in the annual "East-West" battle. They are primed for the contest of their careers, according to Coach Wilce.

The Ohioans arrived in Ogden more than two hours ahead of their practice schedule and upon arrival here were taken immediately to the Ogden high school where they dressed for a workout.

**PRACTICE IN PARK**  
The practice was held at Lester Park with the three coaches directing the work of the team. Punting and the running off of signals featured the workout. The punting of Hoge Workman was the feature of the practice, both of these men getting off long spirals for more than 60 yards. Forward passes were also dealt out with great speed.

Members of the squad, twenty-four in number, spent more than 45 minutes at practice after which they all took a two lap run around the park before returning to the Tiger Gym.

More than two hundred and fifty Ogdenites, including students of Weber Normal college and Ogden high school, witnessed the practice. Arrangements for the practice were completed prior to the arrival of the visitors by a representative of the Standard-Examiner and W. H. Wilson, traveling agent for the Southern Pacific.

The Ohioans held a brief workout at Denver yesterday, according to Coach Wilce, the practice being hindered by a blizzard, which hampered fast play. Despite this fact the players were put through the mill.

**THREE ALL-AMERICANS**  
Three All-American men are making the trip with the party. Two of these men, Walter Eckersall and Chick Harley, are former All-American men while Stinchcomb is the latest member of the crew to win honors.

A trained nurse, Miss Mary Lauch, is with them, while more than three physicians and two trainers are also listed with the party. The party also includes more than 25 students. The entire party, traveling in a special train, includes 56 persons.

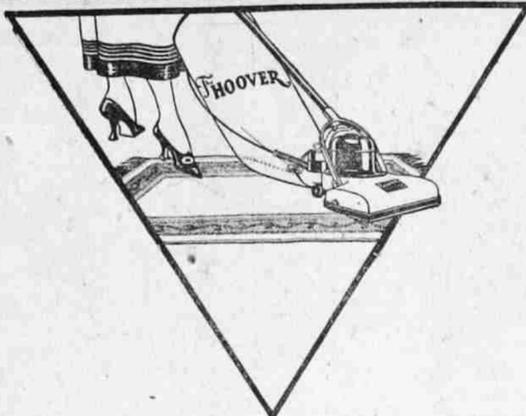

With reference to the coming battle, Coach Wilce said: "We are primed for one of the greatest games of the season and expect to win. Our men are all confident of victory but expect a hard battle. We have played some of the best teams in this section of the country during the past season and if California is as strong as Illinois, Chicago and some of the other Big Ten eleven, we will no doubt have our hands full. However, we are confident that we will be returned the winner."

The entire party departed on a special train, second section of number 1 at 1:30 p. m. for the west.

**PERSONNEL OF PARTY**  
The party included the following players:

Captain: J. M. Hoffman, C. E. Myers, A. J. Nemesek, W. V. Snyker, C. R. Weaver, W. E. Isabell, H. W. Bliss, H. R. Henderson, A. B. Wilder, Hoge Workman, Dean Troll, R. H. Spires, W. M. Jackson, C. N.
